

2008

Dear Parents,

In an effort not to ask for funds throughout the school year, we are collecting for the yearbook and Annual Dinner Auction Family Fund on the first day of school. Please pay for each child's school supplies with a separate check as the homeroom teacher records the receipt of school supply funds. You may, however, include your **Family Costs** amount in a check with school supplies for one of your children. Be sure to clearly identify what is included in the check by attaching this form.

Thank you,  
*S. Dorothy*
