

# Morning Drop Off 7:30-7:48am

### \*\*\*Parent/Volunteer Parking

Parents/Volunteers park in the parent/volunteer parking lot. Parents, who need to walk child into school, park in the parent/volunteer parking lot and accompany child to or from the school using the sidewalk. Volunteers or visitors to the school may use additional parking spaces clearly marked "school visitors".

**Southbound cars enter at traffic light.**  
**Northbound cars enter at main entrance and drop off at Gr. 5-8 area.**

Grades 5-8 parents/main entrance cars exit through the back gate of the school. Parents who turn right onto Apopka-Vineland Road may take Hagan Street after exiting back gates, which will allow driver to avoid congestion at traffic light.

**Note:** PK-4 students may be dropped off in the Gr. 5-8 area if less congested, and continue to exit out through the back gate.
