Camp Invention

Check us out on youtube at <http://www.youtube.com/campinvention>

Camp Invention summer day camp programs run for one week, and students rotate between five thematic modules - focused on **science, math, history, and the arts** - that build upon what was learned the previous day.

Typical programs are for students entering **first through sixth grades** and run Monday through Friday, June 11-15, from 9am to 3:30pm and camps are taught by certified teachers from the community. Children learn through teamwork, creative problem solving, and inventive thinking.

KUDOS!

The following students qualified for the State Recognition category in the Duke University Talent Identification Program (Duke TIP). These students took the SAT and scored exceptionally well in Critical Reading, Math and Writing. Congratulations! Antonio Aguila, Samantha Muscardin, Maddie Sabis and John Willis

Guidance Notes

April's guidance theme is about Self-Discipline which is the ability to be in control of your actions so that you can make positive choices. Our children need to learn from their experiences and develop self-discipline, which will help them keep their impulses and feelings from controlling them. Below are some suggestions that will help facilitate conversations about this important topic.
Dinner/Car Discussions

- Have each family member explain ways that he/she has shown self-discipline that day.
- Have family members tell about how they have seen other family members show self-discipline.
- Have family members share about times when they did not show self-discipline.
- Have family members explain some of the benefits of showing self-discipline.

Prayer Intentions

God the Father in raising His Son from the dead has shown us the path to life. With confidence and trust we now pray for the intentions of our Holy Father, for world peace especially between Israel and Iran, for an end to abortion and euthanasia, and for all those suffering.

May God's hands bring healing to...

Manuel Moncada – Grandfather and Lourdes Robitaille – Aunt of James (8A) and William (6A) Pedersen

Noah Larkin age 8, friend of Gaddier Garcia, who has brain cancer

Fernando Veloz, Uncle of Raphael (KB)

Jalen, a 1st grade student at Blessed Trinity

Penny Lee Moore family friend of the Schwarz family (Jenessa 4B)

Jan Greene, a friend of the Kitts family

Elisabeth Buckley, 7th grade student at St. Margaret Mary Catholic School

Kieran Fallon, Grandfather of Keely (3B) and Aidan (KA)

Remember the special intentions requesting in the RTD Spiritual Bouquets.

Eternal Rest Grant Unto Them O Lord, and May Perpetual Light Shine Upon Them. May They Rest in Peace.

We pray for Divine consolation for the families and the repose of the soul of...

Ray Schneider, Jacob(7A) Tolan's uncle
