WELCOME BACK!

This is a reminder that we have a minimum 20 hour volunteer requirement for each family at Holy Family Catholic School. All hours must be completed prior to May 31, 2010. Any hours served after May 31<sup>st</sup> will apply to the next school year's volunteer requirement. A "buy out" option at the rate of \$15 per hour/\$300 per year is available for families whose schedule does not permit active involvement. Please complete the **"Family Commitment Form"** located in the Family Information section in RenWeb.

Beginning this school year, volunteers will input their volunteer hours served using the new RenWeb Data Base System. Volunteers will input their service hours from home. Information about the volunteer service hour input will be included in the RenWeb training sessions. Also, please note, volunteer hours previously input for June 2009 have been transferred into the new volunteer program.

A Volunteer Sign-Up Information Form will be sent in your child's blue folder. Descriptions for the volunteer Committees and Special Events are available on the school website [www.hfcschool.com](http://www.hfcschool.com). The activity descriptions are found in the "Volunteer Activities" report located under the Volunteer Information link. If you are interested in volunteering for any of the Committees or Special Events listed on the Volunteer Sign-Up Form, please e-mail the Chairperson with your contact information. Please note, if the Committee or Special Event requires fingerprint clearance, please contact the Chairperson after your clearance has been received. If you have questions regarding the committees, please e-mail the Chairperson directly.

An updated (6/01/2009) Activity Code list is also available on the school website Volunteer Information link. Only the activity codes listed are eligible to be counted toward the 20 hour volunteer requirement.

We look forward to having you at Holy Family where your child can grow in faith, love and knowledge.

In Christ,

Rhonda Harrington  
Volunteer Committee Chairperson
